

Website Information Request — Australian Roofing Contractors

Hi,

To complete your website and make it professional, SEO-optimised, and ready to generate leads, I need the following information from you. Work through each section and fill in what you have — leave anything blank that doesn't apply and I'll follow up.

1. Business Identity

Field	Your Answer
Legal business name	
Trading name (if different)	
ABN	
ACN (if a company, not sole trader)	
Year established	
Physical address (if you have a shopfront or office customers visit)	
Service-area-only? (no fixed address for customers)	Yes / No
Primary phone number (shown on website)	
Primary email address (shown on website)	
Confirm website domain is roofing.sydney	Yes / No

2. Licences & Certifications

These are critical trust signals. Australian homeowners expect to see licence numbers before engaging a contractor.

Credential	Number / Details
NSW Fair Trading Contractor Licence number	
Licence class (e.g., General Building, Roof Plumbing)	
Any VBA (Victoria) or QBCC (Queensland) numbers	
BlueScope Colorbond Accredited Installer?	Yes / No
Any other manufacturer certifications (Lysaght, Stramit, etc.)	
Public liability insurance provider	
Public liability cover amount	

Home Warranty Insurance for NSW jobs >\$20,000?	Yes / No
---	----------

3. Services Offered

List every service you offer. Be specific — this becomes the basis for your service pages and helps with SEO.

Roof types you install or repair (tick all that apply):

- ☐ Colorbond corrugated
- ☐ Colorbond Longline / standing seam
- ☐ Colorbond Trimdek / Hi-Ten
- ☐ Metal shingle (e.g., Gerard, Decra)
- ☐ Stone-coated steel
- ☐ Zinalume / galvalume
- ☐ Zinc (Rheinzink, Umicore)
- ☐ Terracotta tile (if any)
- ☐ Concrete tile (if any)
- ☐ Other: _____

Services (tick all that apply):

- ☐ Full roof replacement
- ☐ Re-roofing (over existing)
- ☐ Leak detection & repair
- ☐ Emergency repairs (same-day / after-hours)
- ☐ Gutter installation & replacement
- ☐ Downpipes
- ☐ Fascia & barge capping
- ☐ Skylights
- ☐ Solar panel integration / penetration flashing
- ☐ Roof restoration / painting
- ☐ Thermal / drone inspection
- ☐ Commercial roofing
- ☐ Other: _____

Additional details:

- Residential only, commercial only, or both? _____
- Emergency/after-hours repairs — what's your response time? _____
- Do you supply materials, or labour-only? _____
- Minimum job size? _____

4. Service Areas

List every suburb or LGA you service. This becomes your local SEO suburb pages — the most important thing we can build for Google rankings.

Primary service areas (name your top 10–15 suburbs by volume):

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.
- 9.
- 10.

All other suburbs/LGAs covered: *(paste a full list — the more the better)*

Any areas you do NOT cover:

5. Pricing & Warranties

You don't need to publish exact prices, but indicative ranges help with SEO (homeowners search "how much does a new roof cost Sydney") and pre-qualify leads.

Question	Your Answer
Approximate starting price for a full re-roof (per m² or lump sum)	
Approximate starting price for a leak repair	
Approximate starting price for gutters (per metre)	
Do you publish prices on your website?	Yes / No
Workmanship warranty period	
What does the warranty cover?	
Does the warranty transfer if the property is sold?	Yes / No
Materials warranty (BlueScope Colorbond is 30+ years on the steel)	
Payment methods accepted	
Deposit required? How much?	

6. Stats & Social Proof

⚠️ **Important:** The website currently shows placeholder stats ("2,400+ Sydney roofs", "25yr warranty", "4.9/5 Google reviews"). Under Australian Consumer Law (ACCC), displaying false statistics is a legal risk. Please provide real numbers before the site goes live.

Stat	Real Number
Total roofs completed (approx.)	
Years in business	

Google review rating (go to your GBP and check)	
Total number of Google reviews	
Workmanship warranty length (used in hero stats)	

Google Business Profile:

- GBP URL (google.com/maps/place/...): _____
- Are you the verified owner of the GBP? Yes / No

Other review platforms & ratings:

- hipages: _____
- ServiceSeeking: _____
- Facebook: _____
- True Local / Word of Mouth: _____

Top 5 Google reviews to quote on the website: *(Copy and paste the review text + reviewer first name. We'll display these in the testimonials section.)*

1. **Name:** ____ | **Review:** ____
2. **Name:** ____ | **Review:** ____
3. **Name:** ____ | **Review:** ____
4. **Name:** ____ | **Review:** ____
5. **Name:** ____ | **Review:** ____

7. About the Business

This content goes on your About page and builds trust with homeowners who are vetting contractors.

Question	Your Answer
Owner/director full name	
Owner's role / title	
Brief bio (2–3 sentences — how long in the trade, what you specialise in, why you love the work)	
Company founding story (why did you start the business?)	
Number of full-time staff	
Number of regular subcontractors	
Any key staff you'd like featured on the site?	
Any awards, industry body memberships? (HIA, MBA NSW, Master Builders)	

8. Visual Assets

High-quality photos are the single biggest trust builder for a roofing website. Please supply as many as possible.

Photos needed (send via Google Drive, WeTransfer, or Dropbox):

- ☐ **Before/after job photos** — minimum 20, ideally 50+. Label each with suburb + job type (e.g., "Colorbond re-roof — Randwick — 2024"). These will be used in the gallery and can generate suburb page content.
- ☐ **Team on-site photos** — crew working, close-ups of quality details (flashings, ridgecapping, gutters)
- ☐ **Completed home exteriors** — wide shots of finished jobs with the full house visible
- ☐ **Owner/director portrait** — professional or high-quality casual photo for About page

Logo:

- ☐ Company logo (SVG preferred, or high-res transparent PNG)
- ☐ Light variant (for dark backgrounds)
- ☐ Dark variant (for light backgrounds)

Do you have an existing brand guide (colours, fonts)? If yes, please attach.

9. Contact & Emergency Information

Question	Your Answer
Main contact number (shown prominently on website)	
Emergency/after-hours number (if different)	
Contact email for leads from website	
Preferred contact method (phone, email, form)?	
Target response time for web enquiries	
Office hours	
After-hours availability?	

10. Existing Digital Presence

Platform	URL or Notes
Current website (if any, to review for content to keep)	
Facebook page URL	
Instagram handle	
LinkedIn (if any)	
YouTube (job videos / testimonials?)	
Google Business Profile URL	
hipages profile URL	
Any Google Ads account? (existing campaigns to review)	

11. Content Preferences

Question	Your Answer
Tone of voice: Friendly & approachable, or formal & professional?	
Any competitor websites whose style you like? (share URLs)	
Anything you specifically do NOT want on the site?	
Do you want a blog? (helps with SEO long-term)	Yes / No / Maybe
Any specific pages you want that aren't listed above?	

12. Legal & Admin

Question	Your Answer
Privacy Policy contact name/email (for data requests)	
Are you operating under a Pty Ltd, sole trader, or partnership?	
Any pending disputes or legal matters we should avoid referencing on the site	

What Happens Next

Once you return this form I will:

1. Replace all placeholder stats and content with your real information
2. Build out individual service pages and suburb landing pages
3. Set up schema markup (structured data for Google rich results)
4. Optimise all title tags and meta descriptions for your key search terms
5. Add your licence number, ABN, and certifications to the footer and relevant pages
6. Create a gallery page with your before/after photos
7. Submit your sitemap to Google Search Console

The more complete your answers, the faster and better the result.
